

Parking (Bicycle)

Purpose of the policy

To provide members and residents with rules for the use of the co-op underground bicycle parking area.

Policy

1. Pacific Park Place provides a limited amount of space for bicycle parking in the underground and assumes no responsibility for damage or loss.
2. All households needing space in the co-op bicycle parking area shall apply to and register their bicycle(s) with the co-op office coordinator. Registration is not required if bicycles are stored in personal lockers or within units.
3. A maximum of one bicycle per household member is permitted in the co-op bicycle parking area.
4. Unregistered bicycles parked in the co-op bicycle parking will be removed.

Policy approved by general meeting: March 6, 2012

Replaces policy dated:1997

Procedures needed to carry out this policy

1. In order to use the underground bicycle area, the owner(s) must submit the colour, make and any serial number or unique identifier to the office coordinator. Members must update this information on the annual census form.
2. After the census, any unregistered bicycles will be removed from the bicycle area and donated to charity.
